

MANCHESTER ENGINEERS CENTRE

**100%
Assured
Placement**

**India's Leading NDT and
Welding QC Training Institute**

About Us

MEC - Manchester Engineers Centre provide career development and knowledge enhancement for the professionals updating their knowledge towards the Industrial circumstance Improving their working stability.

Our Training will be wider and focused fully on the job based on Industrial aspects and their requirement.

Who We are

We are the MEC - Manchester Engineers Centre bridging our Knowledge for the welfarement of Mechanical Engineers who are dreaming their career on core part.

What We do

We support the Engineers for their career development stimulating their technical knowledge in NDT, Welding, Quality, Fabrication, Piping, etc...

Misson

Our only mission is to make all Mechanical Engineers to get achived aspiring them to reach their goals.

WE ARE MECHANICAL ENGINEER WE ONLY CREATE OUR CAREER

NDT - Non Destructive Testing (SNT-TC-IA 2016 Edition)

PT - PENETRANT TESTING

MPT - MAGNETIC PARTICAL

VT - VISUAL TESTING

UT-ULTRASONIC TESTING

RT-RADIOGRAPHY TESTING

RFI - FLIM INTERPRETATION

Welding - QC | Fabrication - QC | Piping - QC

01 CODES & STANDARDS

02 DOCUMENTATION

03 DRAWING

04 WELDING TECHNOLOGY

05 TECHNICAL CALCULATION

06 FABRICATION TECHNIQUE

INSPECTION TECHNIQUES 07

MATERIALS HANDLING 08

PIPING 09

HEAT TREATMENTS 10

INSTRUMENTS HANDLING 11

SAFETY 12

COURSES

Certified Quality Inspector - CQI

45 Days

NDT - 6 Methods - Radiography Testing - Ultrasonic Testing
Magnetic Partical Testing - Penetrant Testing - Visual Testing
Radiography Flim Interpretation - Piping - Welding - Codes & Standards,
Documentations - Drawing - Inspection - Fabrication - Instruments Handling

Certifications: ASNT Level II for 6 Methods - American Std
Certified Quality Inspector

Certified ASNT Level II Technician

30 Days

Introduction of NDT - 6 Methods - Radiography Testing - Ultrasonic Testing
Magnetic Partical Testing - Penetrant Testing - Visual Testing
Radiography Flim Interpretation

Certifications: ASNT Level II for 6 Methods - American Std

Certified Quality Inspection Professionals

20 Days

Piping - Welding - Codes & Standards, Documentations - Drawing
Inspection - Fabrication - Instruments Handling - Safety

Certifications: ASNT Level II for 6 Methods - American Std

Placement Cell

Karthikeyan Ganesan
HR - Manager

+91 8754 261 251

**We offering the placement
for the candidates in Mechanical Core
Industries. We mainly focused in Oil & Gas,
Fabrications, Boiler Manufacturing,
Power Plants and etc.,**
